## **ALL PORT USERS**

### **BUSINESS AS USUAL AT SABAH PORTS SDN BHD DURING MOVEMENT CONTROL ORDER PERIOD**

The above matter is hereby referred.

Following the **Movement Control Order** imposed by the Government effective 18th until 31st March 2020, be informed that it is business as usual at Sabah Ports Sdn Bhd (SPSB) which categorized under Ports as outlined in the essential services in Malaysia.

SPSB's Port operations, HQ office as well as supporting departments will continue to be operating and remain unaffected. However, we will impose the following Safety Precautionary Measures as a means of containing the spread of COVID-19 as below:

1. Mandatory non-contact infrared temperature checks on all staffs, port users, tenants (if applicable), contractors and visitors entering the Port premises; and
2. Restriction of all visitors from entering the Port premises except on urgent matters deemed critical for the Port operations.

SPSB endeavours to take all necessary precaution and preventive measures as recommended by the Malaysian Health Ministry in order to protect SPSB employees and the Port users against the Covid-19 exposure. As such, we urge all port user to adhere to the preventive steps provided by SPSB when visiting the Port premises.

We will continue to keep you informed of any changes to the current situation and will extend all necessary assistance for your business. Please be assured that you can continue contacting our offices via your usual channels for your business needs and any inquiry at **088-483390/399 (Customer Relations)**.

Thank you.

Yours sincerely,
